

# Psalm 8

O Lord Our God how glorious Your Name  
Over all the earth  
You exalted Your Name above the heavens  
How glorious is Your Name.

1. When I behold the heavens  
Work of your fingers  
Moon and stars you set in power  
How glorious is Your Name.
2. What is man You care for him  
Son of man you should care  
You have made him less than angels  
And crowned him with glory.
3. You have given him rule over Your works  
Putting all things at his feet  
All the sheep and oxen  
Yes all the beasts of the field.
