

Psalm 56

Have pity on me O Lord
For men trample me
All the day they press attack
Against me.

1. My enemies trample on me
They gather together in hiding
They watch my every step
Waiting for my life.

2. O God Most high
When I begin to fear
In You will I trust
In God I will glory

3. I am bound O God
By vows to You
You have rescued me from death
In the sight of the living.
